

the company

Established in 1994, VMD ITALIA srl is a fully dedicated and highly specialized manufacturer of professional spray products which find application not only in the automotive and hardware sectors, but also in many industrial and parapharmaceutical fields. VMD's wide range of aerosols is also of use in Air Conditioning and Hydraulics, in industrial cleaning, in the nautical sector and Office related market niches.

All products are formulated, developed and tested internally; VMD's Chemical Lab is equipped to successfully experiment and create new formulations for products with innovative characteristics.

Located within the Province of Bergamo, VMD is about 50 km from Milan and is easily reachable from the Airports of Milan Linate – approx. 40 km – and of Bergamo Orio al Serio – 30 km -.

VMD not only produces its branded product range but also has a long established experience in the development and execution of 'private label' spray product lines. The Company offers a full and complete service inclusive of graphics design, as well as consultancy for the correct carrying out and execution of the labelling process in full respect of all European Union regulations.

The Company's quality procedures are implemented so to guarantee full satisfaction of the Customer; VMD is also fully certified according to European Community laws and regulations – UNI EN ISO 9001:2000.

Product reference NOT available in spray = NO aerosol

Standard packaging: as specified

84	SATIN EFFECT DASHBOARD CLEANER Newly formulated product. Cleans, polishes and protects dashboards and all car plastic parts from dirt, dust, and UV rays. The finishing result is an elegant satin effect.	also available in LIQUID form	master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
85	TAR REMOVER Specifically formulated product which removes tar, resin and glue residues from the body and windows of the vehicle. Ideal also for metal, rubber and plastic parts.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
86	VASELINE GREASE High quality grease mainly used in the food industry for mechanical lubricating purposes.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
87	MULTIPURPOSE UNIVERSAL CLEANER All-round spray cleaning agent; ideal on rubber and opaque parts, perfect on glass, plastics, fabrics, fake leather and wood. Silicone free, leaves no stains.	also available in LIQUID form	master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
88	INK CLEANER / REMOVER An alcohol based detergent, the product contains powerful tensioactive agents. Removes ink stains, permanent markers and glue residuals from hard surfaces. Quick drying.	also available in LIQUID form	master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
89	ISOPROPILIC ALCOHOL Effective detergent spray for videos/screens of older generations, optical filters and plastic surfaces. Ideal for photocopiers. Do NOT use on LCD and PLASMA screens.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
90	SHOES HYGIENIZER A recently developed and fully tested spray product specifically balanced for shoes treatment. It is a powerful hygienizing agent against fungi, moulds, bad odors and microorganisms.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
91	NON FLAMMABLE COMPRESSED AIR Powerful air blast for the cleaning of any kind of dirt or dust in otherwise 'hard to reach' areas. Necessary for computer keyboards, hardware, and precision machinery. Totally NOT FLAMMABLE.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
92	CHEWING GUM REMOVER Removes chewing gum and solidified plastic rubber from all types of fabrics and hard surfaces. The product may also be used on PVC, wood or stone.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
93	LOCKS GRAPHITE LUBRICATING AGENT Product ideal for all kinds of locks and padlocks. Lubricates and allows for easy functioning of mechanisms subject to scratches where the presence of oil is undesirable.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
94	ALL-ROUND SYNTHETIC LUBRICATING AGENT + PTFE Newly formulated product. Antigripping and unlocking characteristics, water repellent and humidity protective agent. Resistant to salt water. The PTFE allows for extra protection and guarantees excellent sliding of treated surfaces.		master carton 24 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml		
95	WHOLE FORM STRIPPING for METAL and WOOD BOXING Form stripping liquid specifically developed for easy forming and protection of metal and wood boxing, even at very low temperatures. Use of the product also improves the finishing effect after boxing removal.	NO aerosol	1 pcs	      
		20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg		
96	EMULSIFIABLE FORM STRIPPING for WOOD BOXING The product formulation contains synthetic oils and high quality detaching solutions. Mix with water. Allows for great protection of wood/plywood boxings.	NO aerosol	1 pcs	      
		20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg		
97	DESCALING AGENT for CONCRETE The product is particularly suited for the removal of concrete and lime mortar from construction tools and machinery. An effective agent for the cleaning of ceramics, stoneware and cocille.	NO aerosol	1 pcs	      
		20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg		
98	MULTIPURPOSE WIPES Fully tested wet wipes (100 pcs/box): the most handy solution for the cleaning of plastics, lacquered metals, keyboards, cables, etc. Made of fibers 100% natural.	100 pcs/box	master carton 12 pcs	      
99	LCD and PLASMA VIDEO CLEANING WIPES A newly formulated product, the box contains 100 wet wipes specifically developed and fully tested for an in depth cleaning of new generation videos – LCD and PLASMA -.	100 pcs/box	master carton 12 pcs	      
100	ACRYLIC SPRAY PAINT Acrylic enamel for professional use with excellent adhesive properties. Ideal for painting operations of metal surfaces - such as iron, brass, aluminium – and plastic materials. Quick drying.		master carton 12 pcs	      
		600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml

30	BLACK COLOR for TYRES The product polishes, shines and revives tyres and all black rubber parts of cars. Lasting effect.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
31	COMPRESSED AIR Powerful air blast for the cleaning of any kind of dirt or dust in otherwise 'hard to reach' areas. Necessary for computer keyboards, hardware, and precision machinery. Flammable.		master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
32	AIR HORN Air horn for sport events and marine use. Available in full set (can + plastic trumpet) or refill (compressed air can only). Different packaging options are available.	carton: 12 complete sets, pop-up blister or plastic bag carton: 24 pcs. (refill)		      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
33	STAINLESS STEEL SPRAY Stainless steel protective coating suitable for all metals. Product highly resistant to water and salt. Can be overpainted and provides protection against atmospheric agents and corrosion.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
34	CAR AIR FRESHENER Air freshener for cars and living areas. Eliminates foul odors. Long lasting, pleasant scent.		master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
35	LCD and PLASMA VIDEO CLEANER Spray detergent for LCD and PLASMA videos of new generation. The product formulation has been specifically tested so to ensure an accurate, safe and professional cleaning	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
36	CARBURATOR CLEANER For the cleaning of carburators and car injection systems. Cleans coal deposits, grease remainders, rubber and sulphurous substances contained in gasoline and diesel fuel.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
37	DRY DEOXIDIZER FOR ELECTRONIC CONTACTS Specifically developed for the deoxidization of components on all electric and electronic equipment. Strong penetrating properties, quick evaporation; the product does not leave remainders.		master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
38	STAINLESS STEEL CLEANER For the cleaning of stainless steel parts. Removes fingerprints, greases and oily remainders; its protective film has anti-dust and antioxidant properties. Used for catering and cooking equipment, hospital and food handling appliances.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
39	BRAKES and CLUTCHES CLEANER Product specifically developed and formulated for the cleaning of car brakes and clutches. Ideal on clamps and cylinders. Quick drying, no remainders.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
40	LUBRICANT for BICYCLES Antigrip and lubricating spray for bicycle chains and mechanical parts. Allows for the correct functioning of the treated mechanisms, improves mechanical performance.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
41	WELDING SPLASH REMOVER For use on all forms of welding equipment to prevent the adhesion of spatter; suitable for autogenous, electrical and inert gas weldings. Silicone free, protects from oxidation and corrosion.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
42	QUICK START for ENGINES Allows for a quick engine start even at low temperatures. Suitable for machines used in agriculture and construction, for motorboats and caterpillars.		master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
43	ICE REMOVER Instantly eliminates ice and frost from windscreens and glass. Defrosts locks, brakes, springs. Does not effect rubber or plastic sealings.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
44	TYRE INFLATION and SEALING SPRAY Instantly inflates and seals any kind of tyre. Does not damage the tyre or the tube..		master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
45	WATER REPELLENT SPRAY COATING Silicone based water repellent spray coating. Ideal for camping tents, convertible tops, coverings, beach umbrellas, shoes. Extends the durability of the treated parts..	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
46	LABEL REMOVER The product formulation contains extremely performing solvents for the removal of labels, stickers, tapes and stratified filth.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
47	GAS LEAK LOCATOR Spots and reveals leaks of gas or compressed air in pipes, gas cylinders and pressurized tanks.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml

48	UNLOCKING PROTECTIVE LUBRICATING AGENT Powerful unlocking, protective and lubricating agent. Loosens seized nuts and bolts; inhibits the cohesion between treated surfaces and rust deposits, avoiding future oxidations..	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
49	BRIGHT ZINC Cold galvanizing spray particularly suitable for metals coating; a protective agent for welded parts, it's grease and oil resistant. Quick drying.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
50	DARK ZINC High density, high molecular weight, cold galvanizing spray; it ensures water protection and allows for perfect adhesion. A protective agent for welded parts, it's grease and oil resistant.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
51	SPARKLING DETERGENT Sparkling anti-dust detergent, suitable for the cleaning of glass, mirrors, metals, wood, majolica, painted surfaces. The formulation delays the accumulation of dust.	NO aerosol	master carton 4 pcs	      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
52	DEOXIDIZER for ELECTRIC CONTACTS Suitable for electric equipment, relays, contacts, switchboards, semi-conductors. Penetrates quickly and easily in otherwise hard to reach areas. Quick evaporation, no remainders.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
53	WINDOW CLEANER Specific spray detergent for the cleaning of windows, glass, crystals and mirrors. No stains.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
54	FLOOR DETERGENT Floor cleaning emulsifier concentrated detergent. Perfumed, slightly foamy, suitable for manual or mechanical washing. It can be used with cold and hot water.	NO aerosol	master carton 4 pcs	      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
55	MONOCOMPOUND DETERGENT Concentrated detergent, high alkalinity. Suitable both for manual and automatic washing. Ideal for automobiles, trucks, tanks, floors of industrial plants, engines.	NO aerosol	1 piece	      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
56	BICOMPOUND DETERGENT Concentrated detergent, high alkalinity. Suitable both for manual and automatic washing. Ideal for automobiles, trucks, tanks, floors of industrial plants, engines.	NO aerosol	1 piece	      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
57	HANDS WHITE WASHING CREAM Washing cream suitable for industrial cleaning applications; the product holds softening properties, cleans in depth and removes grease, oil and heavy dirt.	4 pieces + dispensers each carton		      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
58	HANDS WHITE WASHING PASTE An abrasive hand washing white paste, the product holds degreasing properties and softening characteristics. The product is biodegradable and doesn't stuck water pipes.	NO aerosol	master carton 6 pcs	      
				20 lt 10 lt 5 lt 4 lt 1 lt 25 kg 20 kg
59	HANDS WASHING GEL Orange scented cleaning gel with highly detergent microgranules. The product holds softening properties combined with a very pleasant perfume.	4 pieces + dispensers each carton		      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
60	HEAVY DUTY LIQUID SOAP Hand detergent washing soap with strong degreasing power. Ideal for heavy dirt and filth. Respects the skin natural PH.		master carton 4 pcs	      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
61	LIQUID SOAP Creamy liquid soap, gentle on skin. Ideal for offices, restaurants, bars. The product holds moisturizing properties.	NO aerosol	master carton 4 pcs	      
				20 lt 10 lt 5 lt 1 lt 25 kg 20 kg 4 kg
62	ANTISTATIC CLEANING FOAM Specifically developed for the in depth cleaning of all plastic parts and components, the product is a must in office working environments.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
63	ANTISTATIC SPRAY The product holds chemical characteristics specifically balanced for an in depth cleaning; once sprayed, its specific formulation forms a highly antistatic film.	also available in LIQUID form	master carton 24 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
64	COLORED TRACER Quick drying paint, ideal for marking/tracing of metals, wood, concrete, etc. Spray from a distance of approx. 20 cm.		master carton 12 pcs	      
				600 ml 500 ml 400 ml 300 ml 200 ml 100 ml 30 ml
65	ICE SPRAY - certified as per CE marking 0546, class II A Used as a pain reliever for traumas, contusions, sports strains. The product is fully certified according to European Union regulations (CE0546, class II A).		master carton 24 pcs	     

66	DISPOSABLE HYGIENIZER Eliminates fungi, moulds, bacteria and microorganisms when used in car interiors or office rooms. The perfect solution for a quick and safe hygienizing of meeting rooms, hotel rooms, etc.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
67	TOILET / WC CLEANER Cleansing product with powerful properties for the removal of organic residues such as calcium, magnesium and iron.	NO aerosol	master carton 12 pcs	      					
		20 lt	10 lt	5 lt	1 lt		25 kg	20 kg	4 kg
68	WATER REPELLENT against HUMIDITY Water repellent protection for electric equipment. Prevents electric leakage due to damp or condensation; reinstates functionalities of electric engines, coils and terminals exposed to damp.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
69	HANDWASHING PASTE An abrasive hand washing paste, the product holds excellent degreasing properties combined with softening characteristics. The product is biodegradable and doesn't stuck water pipes.	NO aerosol	master carton 6 pcs	      					
		20 lt	10 lt	5 lt	4 lt	1 lt		25 kg	20 kg
70	NON FLAMMABLE COMPRESSED AIR MIX Powerful air blast for the cleaning of any kind of dirt or dust in otherwise 'hard to reach' areas. Necessary for computer keyboards, hardware, and precision machinery. The product gas mix is NOT flammable.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
71	ANTISTATIC FURNITURE CLEANER The formulation is particularly suitable for the cleaning and shining of wooden furniture, both lacquered and laminated. Easy to use, the product holds excellent antistatic properties.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
72	'FREEZE' EFFECT RUST BREAKER A new formulation specifically developed for the breaking up and removal even of the most resistant rust. The product penetrates and lubricates the rust layer 'freezing' at the same time its molecules.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
73	ALL in 1 - MULTIFUNCTIONAL SPRAY A powerful agent for the deblocking of metals and rust removal, high lubricating power. Anti-corrosion and anti-oxidant properties. Water repellent, humidity protector. The 'all in 1' solution for any spray application.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
74	SILICONE REMOVER Colorless solvent product; its formulation allows for the removal of silicone residues and deposits.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
75	DRY LUBRICATING AGENT + PTFE The product finds application whenever a clean, stainless lubricating agent is required. Water, oil and abrasion resistant properties; the product does not capture or retain filth and dust.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
76	DEODORIZER for OFFICE and HOME USE The product formulation is extremely effective; available in two pleasant fragrances, 'FRESH' and 'ORANGE SCENT'.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
77	SILICONE BASED DETACHING AGENT – solvent free A silicone based spray, the product is solvent free. Highly anti-adhesive properties; effective sliding and detaching agent in rubber, plastic and wood industries. Prevents rubber cracks.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
78	BELT SPRAY The product allows for perfect performance of belts and straps in leather, rubber, woven and nylon. Prolongs life of belts, prevents cuts and cracks.	also available in LIQUID form	master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
79	BATTERY TERMINALS PROTECTIVE AGENT An anti-acid protective agent for battery terminals, it is the ideal product to prevent sulfation and corrosion of copper or bronze terminals. Resistant to great temperature variations.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
80	BUTANE PROTANE A powerful source of heat, this mix of Butane and Propane should be used exclusively with its proper burner and cannot be refilled. Burner/gun sold separately (VMD80P).		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
81	COPPER GREASE The product is an anti-binding, lubricating agent with high water-repellent properties. Prevents the formation of rust and corrosion, stops wearing and metal/metal locking, reduces friction and overheating.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
82	LITHIUM GREASE + PTFE Spray largely used for industrial applications. Adhesive, protective and sliding properties; allows for a lasting and high quality lubrication.		master carton 24 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	
83	SPRAY PLASTER - CE0546, class IIA certified Protects skin's small cuts and bruises from external environmental agents. The product is water resistant. To be used for first and quick medication of bruises and properly cleaned and disinfected wounds. Fully certified: CE0546, class IIA		master carton 12 pcs	      					
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml	

10	DASHBOARD CLEANER WITH SILICONE Cleans, polishes and protects dashboards and all car plastic parts from dirt, dust, and UV rays. Its silicone based formulation prolongs life duration of the treated parts.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
11	SILICONE FREE DASHBOARD CLEANER Cleans, polishes and protects dashboards and all car plastic parts from dirt, dust, and UV rays. Its silicone free formulation is ideal in all areas where painting operations take place.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
12	WATER BASED DASHBOARD CLEANER Solvent free, the product holds excellent detergent and grease removing properties. Protects the dashboard from dirt, dust, atmospheric agents and UV rays. No oily remainders.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
14	COCKPIT CLEANER All-round cleaning agent for car interiors; ideal on rubber and opaque parts, perfect on glass, plastics, fabrics, fake leather and wood. Silicone free, leaves no stains.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
15	MOLYBDENUM BISULPHUROUS GREASE Outstanding antigrip, anti locking and lubricating properties. For operations in conditions of extreme pressures and high temperatures. Range: from -180°C to +380°C.		master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
16	HYGIENIZER FOR A/C SYSTEMS Eliminates fungi, moulds, bacteria and microorganisms from Air Conditioning machines. The product is suitable both for automotive and house A/C systems.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
18	RUNNING MULTIPURPOSE GREASE A multipurpose product with adhesive properties for a long lasting lubrication. Protects treated parts from wear and oxidation. Resistant to salt water and great temperature	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
19	NAUTICAL GREASE This water repellent grease is ideal for the lubrication of parts exposed to salt water; a lasting solution for the protection of clamps, cables, motorboat parts.		master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
20	CUTTING OIL Its cooling and lubricating formulation is suited for all metals. Particularly helpful in all drilling, cutting, threading, pipes and mould processing operations. Does not drip, do not over spray.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
21	SILICONE OIL The product holds effective anti-adhesive, lubricating and detaching properties. Industrial fields of application are those of rubber, plastics and wood. Water repellent and antistatic properties.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
22	VASELINE OIL Fine oil used in many industrial applications for lubricating purposes. Ideal for maintenance of sewing machines and small household appliances.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
23	LUBRICATING AGENT for WEAPONS Protective lubricant for guns mechanical parts. Inhibits the corrosive effect of gun powder. Essential for maintenance operations.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
24	TRANSPARENT PROTECTIVE FILM A protective film from corrosive agents, it prevents oxidation and is a barrier against humidity. Ideal for paper documents, electronic circuits, plastic parts, ceramics.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
25	FAIRLEAD A spray product suitable for electric, phone or optical fiber cables. Its formulation does not damage plastic and rubber sheaths; protects cables from wear.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
26	OIL BASED ANTIRUST PROTECTIVE AGENT Product specifically developed to ensure proper protection of all metals during storage or warehousing. Prevents corrosion of raw and treated surfaces and chromium coated parts.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
27	LITHIUM GREASE Ideal for the most difficult industrial applications. Silicone free, high penetration and adhesive properties, stable viscosity, resistant to water PH ranging from 2.5 to 11.		master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml				
28	SURFACES DISINFECTANT Quaternary ammonium halides based liquid, eliminates a wide range of bacteria even after rinse. Suitable for all surfaces, particularly for floors, fridge areas, toilets.	NO aerosol	master carton 4 pcs	      								
		20 lt	10 lt	5 lt	1 lt	25 kg					20 kg	4 kg
29	ENGINE CLEANER Product with high solvent and detergent properties specifically formulated for the cleaning of external engine parts. Eliminates from treated surfaces oil, grease and dirt remainders.	also available in LIQUID form	master carton 24 pcs	      								
		600 ml	500 ml	400 ml	300 ml	200 ml	100 ml	30 ml
